Mayor's Message

abaxter@windcrest-tx.gov

Dear Friends, Neighbors and Citizens,

It is March. Spring is almost here! The 2nd Annual Firefighter Gala is on March 2nd. As I am writing this article, I am looking forward to a fun time. We have the city wide garage sale, and also the city wide brush pick up this month. Thus, it is time to do some spring cleaning. Little League is going to start so go down to the fields at Takas Park and cheer on the children. It is a lot of fun! Also, remember that the Firefighter Picnic is in May, and we will be raffling off the first Windcrest Fire Truck. It is important to support our award winning Windcrest Volunteer Fire Department. We encourage you to remain active and involved, and we promise that we will continue to modify, change and refine how we do business. As we all know: **If we stay the same, we cannot improve.**

Windcrest Little League Enrollment: It is happening this month, so please register and/or sponsor a child to participate in our great Little League. Wow – have those volunteers made our Little League something to brag about! I cannot express how far we have come in the last three seasons. We are back to the grandeur of the good ol days. A big hug to all of those volunteers.

Soccer Field: As you might have noticed, the city is filling in part of the land on the corner of Crestway and Jim Seal Drive. It was virtually unusable, and quite frankly, an eyesore. As you drove into Windcrest and looked left, one would look right down and see the RV storage and Public Works Facility. By filling in and leveling this land, we are making it usable while improving the city, and giving yet another amenity for the families. We are making a soccer/flex field. This means it will be a soccer field that can also be used for other purposes, such as over flow parking for the Firefighter Picnic or additional space for the Picnic. I have heard nothing but positive comments about this project. I do ask that if anyone has any concerns or is not happy with this plan, please email and/or call me. The time to voice any issues is now.

Takas Park Pond: You might have noticed that this project is under way. Pardon our dust! As promised, this pond will be re-novated. The Parks and Recreation Commission is working hard on this project and going over plans. If you want to have some input, please email or call me OR attend the Parks and Recreation meeting at City Hall. The Board Members are listed on the back of this Newsletter. I am confident that they would love to hear from you as well. From what has been shown – the preliminary drawings - it will be the show piece that it once was.

2nd Annual Windcrest Car Show – Remember that it will be Saturday, April 13 at the Windcrest Golf Course. It is open to the public. This year's winners, all will be Windcrest residents, will be fea-

tured in the 2014 calendar. Net proceeds will go to the Windcrest Volunteer Fire Department. Admission is free, so mark your calendar to come view some “cool” cars. If you wish to enter your car(s), there is a small fee. Contact Mike Brown at windcrestcarclub@aol.com for more details.

More Improvements in the City: We added two poles on the corner of Crestway and Eaglecrest. This will allow us to hang another banner at a high visibility area to promote our events. We have one on Midcrown as you enter the city, and now this second location. We are out for bids for the landscaping of our entrances/monuments. The entrances will be renovated over the next three months. The Civic Center will also see some more improvements during this time. If you come by City Hall, you will see where we have continued improving the appearance. We have added rock walls around the trees. The rocks were recycled from the demolition of the old mall while building Racker Road. These pieces of history have found a new home. We hope you think they look as good as we do. The “sprucing up” of City Hall is an ongoing process. When the pool opens, you will also see that we have made some upgrades to this amenity as well. This administration is committed to investing in the residential area and in the amenities of the citizens.

Racker Road: This EDC project should be finishing up by mid-March. We appreciate all the support and patience during the construction. A walking and jogging trail is being added. This will be open to the public. Once this road is complete, we will see even more opportunities for revenue with the various pad sites that will be available. We predict that this project will bring in over one million dollars annually once fully developed. There is very strong interest from the business community for these sites. Rackspace will also start investing more money on the outside of their international headquarters located here in Windcrest. This is a very exciting time for Windcrest. There will be more to come in future Newsletters.

Garage Sale: It is time to spring clean. Please sign up for the garage sale by emailing Marlene Guel (mguel@windcrest-tx.gov) or stopping by City Hall. There is no fee and maps will be available that the public knows where to shop and bargain. It is a lot of fun. There is more information in the Newsletter.

Brush Pick-up: We are implementing a new system. We are dividing the city into sections, so as to make this process more efficient. At the next brush pick up, we will move the dates around so that the section that is first this time will be second next time, etc. Brush pick-up is included in your garbage fee, so please take advantage of this service. More information is in this Newsletter.

2nd Annual Windcrest Children Valentine’s Day Party – Sunday, February 10th: It was another success. Thanks to the Newsletter Committee for throwing this party and to the Walzem YMCA for opening their doors to us. Every child received a gift. It was lots of fun. We all hope to continue this event next year.

Volunteers Needed - I was asked to put the following in my article by one of our neighbors: Morgan’s Wonderland is looking for volunteers to serve as attraction assistants for the 2013 season. It’s rewarding and close by. For more info visit www.morganswonderland.com or call 210-637-3455.

Volunteering and Participating: We need more people on the Newsletter Committee and Windcrest Citizens’ Patrol. Please call Katye Brought at City Hall if you can help with the Newsletter Committee and/or Citizens Patrol or you want to serve the city in some other capacity. Remember that there are still places of service within the City. If you want to participate or volunteer in an area of the City, you won’t be turned away. Give me a call or email me to get involved.

Please email me if you wish me to add something to my article. We hope to see you, Saturday, March 2nd at the 2nd Annual Firefighter’s Gala at the Civic Center, and I will be seeing all those that I can at the garage sales, as I love to shop and bargain.

Remember that I welcome and answer every phone call and email.

FROM YOUR

Mayor Pro-Tem, Pam Dodson

pdodson@windcrest-tx.gov

As I drive the city streets and alleys participating in the Citizen Patrol, I notice things. Some things make me feel good about our City and other things do not. I applaud some of my neighbors for their efforts in improving the appearance of their yards and homes. But I am concerned about some of the other things I see.

Leaning fences hiding back yards that are full of trash or large objects that you can tell have laid there for quite some time or weeds that are taller than my dogs; all which create a sense of neglect about a home. It is tragic. We can do better. I challenge our community to get those yards cleaned out, and put that stuff out during our Spring Clean up in April. It is time to clean out that back yard!

Councilmember

Gerd E. Jacobi

gjacobi@sbcglobal.net

Yes, it is time again to start getting your yard in shape for spring and summer! Get ready to cut, spruce, plant and fertilize your grass and plants.

Time to check your sprinkler system, if you have one; maybe new garden tools and a hose. So take your allergy medicine if you have to and dive in. Let's all make sure that our Community maintains its high standards of beautification.

This is also the month to get ready for your Garage Sale. This year it will take place between 21 March to 24 March. So get some change, a cup of coffee a couple of chairs and bring your unwanted or no longer needed items out of the garage and see if you can sell them. Get together with your neighbors and have some fun.

Councilmember

Jim Shelton

alamojim@sbcglobal.net

I would like to publicly thank the Windcrest Crime Control and Prevention District (WCCPD) Board of Directors for their generosity and forward thinking in the action they took in approving the purchase of three new vehicles with the required equipment for our Police Department. As our city continues to grow economically, we must ensure that new development, as well as our citizens and established businesses remain well protected. With continued economic growth and development, we will soon need to consider a police sub-station on the south side of Walzem. Our revenue from sales tax continues to increase; we just have to utilize funds in a prudent manner as we grow.

For all of our military veterans, if you are not a member of the American Legion, I would ask that you consider joining the Windcrest American Legion Post #612. Each year we sponsor young people to Boys & Girls State. We also support the following youth programs; Boy Scouts, Oratorical, Junior Shooting, School Awards, and Explorers. Our Post has long been a supporter of Windcrest Civic functions, such as Memorial Day, 4th of July, and Veterans Day. You can see that besides being the oldest and largest Veteran's Organization that does the most for our wartime veterans; we do so much for our young people and our community. I would be happy discuss or answer questions that you may have, or feel free to contact Buddie Cooper

Each month as I decide what to include in my news article I realize that I have just a small part in this publication. The real credit goes to the Newsletter Committee--THANK YOU to each and every one of you. You do great work!

Windcrest law requires that people clean up after their dogs. My daughter and I walk “Megan” 6 to 8 times per day and we always clean up after her. We always take a few bags with us as she’s known to have a “double header” from time to time. However, we often see “evidence” that some people don’t take the law seriously.

In a recent case that I observed, the sign and dog poop were only 23 feet apart! There was a dog waste station (with bags) just 93 feet away in plain sight! Personally, I find such disregard for the law disgusting. We’re working very hard to make Windcrest a beautiful and safe place to live. Yes, it takes a village! With that, I urge everyone to follow our rules. Thank you for your support.

The City Council completed action on adoption of a new ethics code at its meeting on February 25, 2013. The adoption was the culmination of several months of studies for the most appropriate code. The code which was finally adopted reduced the previous ethics code from 17 pages to 3 or 4 pages of generalities. The adoption occurred on a 3 to 2 vote which mimicked a 2 to 2 preliminary tie vote on January 28, 2013. The preliminary tie vote was broken by the Mayor in favor of the short version of the ethics code. The alternative ethics code under consideration was similar to the City of San Antonio Ethics Code reduced to approximately 24 pages.

The argument for adoption of the short ethics code was to avoid protracted litigation and to keep it simple. The argument for the City of San Antonio version of the ethics code was to provide sufficient specifics to guide city officials, employees and contract personnel in determining what is and is not acceptable under state and federal laws and the consequences of violation.

As a minimum, I feel my proposed Ethics Code and the “2012 Texas Ethics, Gift and Honorarium Laws” should be a part of the Adopted documents to be used as training materials for the above listed officials and employees.

POLICE DEPARTMENT NEWS

Chief of Police - A. O. "Al" Ballew

Crime Prevention Notices

I have recently received complaints from some Windcrest residents about receiving Crime Prevention Notices from Windcrest Police, concerning open garage doors, property left in vehicles, and vehicles left unlocked, to name just a few. Crime prevention is a vital part of our proactive approach to reducing and preventing criminal activity in the City of Windcrest. Windcrest Police find mistakes that have been made inadvertently by residents, visitors and businesses before the criminal finds them and capitalizes on them. One resident reported that they received a crime prevention notice for leaving their garage door open and that resident stated; they were doing work around the house and did not want to keep opening their garage door. The simple rule is this...if you are not physically standing in your garage, then you need to close the door. This will alleviate not only thefts but also physical attacks by aggressive criminals. So ask yourself one simple question...do you want to be a little inconvenienced or do you want to suffer as a victim at the hands of a criminal? Leaving your home unsecured anytime is sending a welcome message to criminals!

Windcrest Police will continue issuing Crime Prevention Notices and further strengthening our proactive approach to stopping illegal activity in Windcrest. Criminals drive thru our City daily looking for easy opportunities. A criminal can be in and out of your garage, your house or your vehicle in seconds with your property... that is the easy part! The hard part is when a criminal has more on their mind than just easy opportunities, such as robbery, sexual assault, assault and even homicide. Crime Prevention Notices do make a difference through education and changing bad habits. Without our daily efforts, crime will escalate. When proactive policing slows down, crime escalates and police become reactive and no longer proactive! Reactive is not what you want! The next time you receive a Crime Prevention Notice, make the correction and realize that we are working hard to take care of each of you...being PROACTIVE in our fight against CRIME!

Code Enforcement, Jose Rosales

Spring cleaning will start soon! It's also that time of year we prepare to clean up and remove unsightly items. I have saved giving violation notices in order to give you a chance to remove any junk in conjunction with the Solid Waste removal coming soon in the allotted 30 day period. Solid Waste collection will begin 01 April. Please check the literature distributed by the city as to when **YOUR** pick up times will be. **PLEASE DO NOT** put out your brush and junk in front of your residence until the **WEEKEND BEFORE** you are scheduled to be picked up. Myself and patrol units will be out enforcing this matter. Large furniture can be put out as long as they are broken down into smaller pieces. Please keep in mind we are trying to keep Windcrest beautiful.

Please correct or remove junked vehicles from your property, to include the back yard. Placing a cover over a junked vehicle will not save the vehicle from removal. As a last measure for remediation, a Code Enforcement Officer is authorized to seek removal of a nuisance by court order.

Lastly, tree trimming services are **NOT ALLOWED** to leave brush they trim in front of your property for brush pickup. Only citizen self-completed tree trimming will be allowed. Please help us by doing your part for the community.

If you need any assistance or want to report a violation of the Windcrest City Code, please contact your Code Enforcement Officer via the Windcrest Police Department Dispatcher at 210-655-2666.

WATER AND SEWER RATES. Data collection for annual sewer averaging was completed on February 22nd. Now is the time for you to report any plumbing problems that effected your consumption since November 22, 2012 and request an adjustment. Problems such as a leaky faucet or malfunctioning toilet can lead to a high sewer bill next year. Arm yourself with invoices substantiating repairs and any other information supporting your request. You can start the process with just a phone call letting us know what the problem was. We can generally tell you over the phone if your problem was an event that would qualify for an adjustment. Identifying the problem early is important because we do not make retroactive adjustments.

STAGE I WATERING RESTRICTIONS ARE IN STILL IN EFFECT. We've only received about 4.5 inches of rain since the first of October. This is typically the time when we get moderate rains that recharge the Edwards Aquifer, lakes and streams get replenished, and we establish moisture levels for the coming spring. The Aquifer rose several feet in early January, but has been falling since then. The Texas state climatologist, John Nielsen-Gammon recently reported that the last two years is the third driest period on record. If conditions persist, it would rival the drought of record set in the 1950s. Some of us are "mature" enough to remember that! It is not a condition we want to ever see again.

The water you save today may be the only water you have to drink tomorrow!

Preparing for the growing season has kept P.W. very busy as of late. Our landscaping crew has been laying down dirt, fertilizer and grass to make our community look even better. We have started up our aggressive mowing and edging schedule again to keep up with growing grass in our mow areas.

Want to wish everyone GOOD LUCK with their March 21-24 Windcrest Garage Sale. Of course a week later on April 1st we will have the Spring Brush Pick-Up. Please take advantage of this generous service the city provides its residents. We will have a representative follow the Allied trucks during its entire pick up services this year to insure that Allied doesn't miss "1" single house this year. This will be a cooperative effort from P.W. and Citizen's Patrol. Because of several calls that came in to P.W. claiming missed brush pick-up, we felt a need to verify all activity of this service to insure a 100% service rating to Windcrest residents. We hope this will help with verifying that Allied made all the stops. Thanks Allied...

Lastly, hope everyone that attended The Firefighter's Gala had a great time. All your donations go directly to accounts that help with the operating expenses of the Volunteer Firefighter's Department and various charitable organizations. A special thanks to Rackspace for always being a strong pillar of our community.

Municipal Court Report

Resident with a Citation

Living in Windcrest has many benefits. Unfortunately one of them is NOT being exempt from receiving a citation. If you find yourself in receipt of a code violation citation, please make sure you make all of your court appearances. You will not be able to come in and just pay a fine. You WILL HAVE TO SEE THE JUDGE. While court can be viewed as a frightening experience, the court staff will do it's best to ensure that your experience is a pleasant one.

Tips for the Road

You are on a freeway traveling 55 mph in the middle lane. Suddenly you hear a thumping noise and your car starts pulling to the right. You are probably experiencing a right front tire blowout. Ease your foot off the gas and keep a firm grasp on the steering wheel. Do not brake suddenly. Pull off the road and check your tire.

TOTAL CITY REVENUE

Here is a 4 year comparison chart of the money collected from fines and fees. For more information please contact Kelly Rodriguez, Assistant Court Administrator at (210)655-0022 ext 2250 or krodriquez@windcrest-tx.gov.

On **March 16th** at the Civic Center starting at **6 pm**, we will have our annual **Wine and Cheese Social**. What a way to spend an evening with friends and neighbors lamenting about the trials of life with a good glass of wine and a selection of cheeses. Can't you just feel the stresses of life drifting away for at least one evening? Reservations are required so call Garlene [redacted] or Hazel [redacted]

Also on **March 27th** at the Civic Center from **10 am to noon**, we will have **Suzanne Scott, General Manager of the San Antonio River Authority**; give her program, "What's Next for the San Antonio River?" I am sure you will have lots of questions so come on to the meeting and let's have some good conversation along with some good treats!

On **April 17th** at the Civic Center from **11:30am to 2:00pm**, we will have our **Appreciation Luncheon**. All the goodies will be provided by the Officers and Board Members. Reservations required.

On **April 24th** at the Civic Center from **10am to Noon**, we can hear about "**How to Avoid Fraud and Identity Theft**" presented by **Sandy Sullivan, Frost Bank**. A real concern for so many of us.

The Windcrest Women's Club meets on the 4th Wednesday of each month from August through May.

Windcrest Animal Control Task Force

WeACT

Can't believe it is about a year now that we have been meeting as a new group in Windcrest. How quickly time flies when you are having fun! Let's see what has gone on.

The Task Force had an educational booth at the Firefighters's Picnic, we walked in the City's 5K Fun Run/Walk, we walked in the Fourth of July Parade, we participated in the Police Department's National Night Out, we handed out information for National Feral Cat Day, and we held our first immunization clinic for pets. We have walked information about our need for help with the community cats to three of the five sections of Windcrest. We have fostered 4 litters of kittens, and socialized them so they were accepted by the Humane Society where they would have an opportunity to be adopted out. We worked with Home Depot to trap two momma cats and their litters so that only one of the momma cats came back to help control their rodent problems....she hides in the garden area. We have also worked with one of our apartment complexes to help with some cat care. In total we have trapped and neutered about 50 cats. We have also fostered six puppies and their momma dog.

We hope you have noticed that we have been working on our website so that you are informed about what we are up to and what pets are lost or available for adoption. We have placed articles there that may be of interest to you if you are dealing with our wildlife or just curious about what we are sharing our living space with. We even have a Facebook page!

Our next event is participating in the City Wide Garage sale in March. We will have a booth at City Hall on Saturday, March 23rd for a fund raiser. We are accepting donations (no clothing please) so please call [redacted] if you would like to help us out. And then don't forget to come by on that Saturday to find a treasure or two.

Windcrest Lions Club

Windcresttx.lionwap.org

The Windcrest Lions Club cancelled its annual Italian Dinner scheduled for the last Saturday of March. That Saturday falls on Easter weekend this year. We know many of our supporters and workers will want to be home with their families. We will let you know the new plan as soon as possible.

We need those fundraising dollars!

Ever wonder what we do with all that money you give us by supporting our events? It all goes to our programs. You know we collect eyeglasses and give dictionaries to all the local 3rd grade students, but what else do we do?

The Club purchases and provides school supplies specifically for the elementary school teachers' use. We support Project Graduation at Roosevelt High School as well as the LEO Club. The LEO members are 60 extraordinary high school students providing meaningful services in our community. We also support the Texas Lions Camp in Kerrville, Texas. Since 1949, the camp provides week-long camping experiences at no charge to children with medical conditions, physical disabilities, diabetes and Down syndrome. The Club sponsors sports teams at the Walzem YMCA and sponsors art and writing awards at Ed White Middle School. Thousands of dollars are spent annually on these and many other worthy efforts to benefit our community.

Want to help? We meet on the 2nd and 4th Tuesday of each month at 6:30 pm at the Community Center at Takas Park. Please call Lion Marlene [redacted] for information.

FRIENDS OF THE PARK

Friends of the Park of Windcrest have a strong one-year track record. The major accomplishment of the past year was the Tree Inventory Project which identified and located the trees in the city's parks and green spaces, including those at the Windcrest Golf Club. Take a moment to visit the FOTP website (see below) and view the interesting interactive map and the documentary made about the process! Plans are underway for this summer's projects, one of which will enhance many of the park bridges and picnic areas. Details will be forthcoming. Once again, talented students from the Design and Technology Academy at Roosevelt (DATA) will partner with Friends of the Park.

If you have not become a member, please consider joining Friends of the Park now and lending your support; our efforts are directed toward keeping Windcrest a beautiful place in which to live. An application form is on the website: www.windcrestfotp.org, or you may call [redacted] or email (contact@windcrestfotp.org) for information. Membership categories are as follows: Individual (\$25), Family (\$45), Sponsor (\$100), Fellow (\$250), Patron (\$500), and Benefactor (\$1000). And members, it is also time for renewals of membership: 5802 Northgap Dr., Windcrest, TX, 78239. As ever, your participation is vital and appreciated.

Then, up for auction: plants plus Sondra Bump's hand-made grapevine Fiesta Wreath w/flowers & ribbons.

After the meeting & refreshments, we'll carpool to the home of Ann Wadsworth on Waycrest, for a Backyard Tour. In keeping with the speakers' topic, experience a "Show & Tell" of edible plants & flowers in her lovely yard.

At February 4th's meeting, guest speaker Gayle Randolph gave a delightful presentation on flower arranging, easy ways to make everyday special, as she says, "nice matters". Also, we had the "mother of all plant auctions"! Thank-you everyone for participating!
